The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

#### APPOINTMENT OF CONFEREES ON H.R. 4, INTELLIGENCE IDENTITIES PROTECTION ACT

Mr. BOLAND. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the bill (H.R. 4) to amend the National Security Act of 1947 to prohibit the unauthorized disclosure of information identifying certain U.S. intelligence officers, agents, informants, and sources, with Senate amendments thereto, disagree to the Senate amendments, and agree to the conference asked by the Senate.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Massachusetts?

Mr. WALKER. Mr. Speaker, reserving the right to object, I did not understand precisely what the bill is that is being brought up here. Could the gentleman just give me a general idea of what his unanimous consent request is?

Mr. BOLAND. If the gentleman will yield, the bill is H.R. 4, the agents identities bill that passed the Senate. They have asked for a conference. It is a little different from the House bill, and we have asked unanimous consent to take the bill from the Speaker's table and agree to the conference asked by the Senate.

Mr. WALKER. I thank the gentleman for his explanation, Mr. Speaker, and I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Massachusetts?

There was no objection.

The SPEAKER pro tempore. Without objection, the Chair appoints the following conferees: Messrs. BOLAND, MAZZOLI, FOWLER, HAMILTON, MINETA, RODINO, EDWARDS of California, ROB-

INSON, ASHBROOK, McCLORY, and HYDE.

There was no objection.

#### CORRECTION OF CONGRESSIONAL RECORD OF MARCH 8, 1982, AND HOUSE REPORT 97-445

Mr. SAM B. HALL, JR. Mr. Speaker, I ask unanimous consent that the CONGRESSIONAL RECORD and Journal of March 8, 1982, and House Report 97-445 filed on that date be corrected to indicate that the report was filed by Mr. DANIELSON, and that the report be reprinted as corrected.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

#### WITHDRAWAL OF NAME OF MEMBER AS COAUTHOR OF H.R. 4057

Mr. DYMALLY. Mr. Speaker, I ask unanimous consent that my name be withdrawn as coauthor of H.R. 4057.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

#### MARSHALL COUNTY HIGH SCHOOL GIRLS BASKETBALL SQUAD IS 1982 KENTUCKY GIRLS STATE CHAMPION

(Mr. HUBBARD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HUBBARD. Mr. Speaker, it gives me great pride today to say that a team from my district, the Marshall County High School girls basketball squad, is the reigning 1982 Kentucky girls State champion.

A runnerup in the State championship last year, the Marshall County Lady Marshals team captured this year's title in style with a 48 to 44 victory over Louisville Mercy Academy in Richmond, Ky., last weekend.

The Lady Marshals used excellent shooting and tenacious defense, which characterized the team throughout the season, in route to the championship.

The victory last weekend was even more meaningful because the Lady Marshals team was the first far western Kentucky team to claim a Kentucky State high school basketball title since the North Marshall High boys team won the State championship in 1959.

My congratulations go out to the members of the Lady Marshals team for their hard work throughout the season and their fine performance in the tournament. My congratulations to the coach of the Lady Marshals, Howard Beth, for his outstanding abilities. I also want to offer my special congratulations to the people of Marshall County for their loyal and avid support for this fine team.

#### BUILDING AMERICA TOGETHER

(Mr. ANTHONY asked and was given permission to address the House for 1 minute and to revise and extend his remarks and include extraneous matter.)

Mr. ANTHONY. Mr. Speaker, each year the Veterans of Foreign Wars of the United States and its Ladies Auxiliary conduct a Voice of Democracy contest. This year more than 250,000 secondary school students participated in the contest.

I would like to include in the RECORD a copy of the winning speech from Arkansas, which was delivered by William E. Maloney of Texarkana. Mr. Maloney is a senior at Arkansas High School. He is the son of Thomas and Betty Maloney.

#### BUILDING AMERICA TOGETHER

Building America together, three very strong words, three words that convey an even stronger meaning when they are combined.

Building—We can't let our country stand still. We must not let it become stagnant. Complacency with what we possess in this glorious country can only lead to decline. Each and every one of must work to build and improve upon what our forefathers have created for us. There are many ways we can build upon what we have. We must strive for improvement within our families, our church, our schools, and our communities. These are grass roots foundations of our country. We must instill within our fellowman that we are striving to improve ourselves, and perhaps the message will carry to everyone. There are always going to be negative influences, but nothing that can't be overcome if we maintain constant effort to reform them.

The second word—America—What does this word mean to you? To me it carries more significance than any word in the English language. America, when people around the world hear it, thoughts of freedom, prosperity and happiness come to their minds. That is what America is all about. America is all of these things and more. It holds different meanings for all of us. For me, the word America says I am free to express myself. It says I may worship as I please, and try to make of my life what I want from it, instead of what someone says I am best suited for. The word reminds me I have rights and privileges unique to citizens of this country, alone. It speaks to me about democracy and justice and helping my fellowman.

The last word—together—That is the key word. All of us have to contribute. This nation of 220 million people has to set a common goal and strive for it. That goal must be to let this country never take a step backward, but instead move ever farther toward fulfilling the true potential of what lies in its citizens. If the rich and the poor, the blacks and the whites, and the young and the old all work together there is absolutely nothing this nation can't overcome. Everyone can contribute if he has the desire to do so. For the strength of this country isn't possessed by our government, our mass producing industries, or our system of laws. No, the true strength of America lies in the heart and soul of each and every citizen. Together we can do it, but first we must form a sound base, and that involves solving some of the problems of this nation and serious problems they are—unemployment, poverty, crime, decline in our moral values, and the
